Maureen Colaizzi
WASLA
603 Stewart Street, Suite 610
Seattle, WA 98101

Dear Maureen Colaizzi,

Thank you for your generous contribution of \$3,000 to the Department of Landscape Architecture at the University of Washington in support of the Open Space Seattle 2100 project. With your sponsorship, the Green Futures Charrette will certainly be an unqualified success.

As the project has matured, community support has swelled behind this extraordinary effort. In fact, there is now tremendous momentum—in both grassroots and policy circles—to take the work of Open Space Seattle 2100 and incorporate it into the planning future of our city to create a truly integrated vision of green spaces in Seattle. None of this work could have been accomplished without your leadership and support.

We sincerely appreciate your contribution. Without ASLA/WASLA's support Open Space Seattle 2100 could not be the success that it is today. If you have any questions, please feel free to contact us at 206.543.7897 or via email at open2100@u.washington.edu.
