2021 SPONSORSHIPS
Our annual Chapter Sponsor program allows our partners the opportunity to connect with members throughout the year, share their products and services, and show their support for the Chapter. Our Sponsors gain an edge over their competition through enhanced brand and product visibility and the relationship building opportunities our ASLA Washington Chapter Sponsor Program provides. These packages include the opportunities below and Special recognition by Chapter Leadership.

On behalf of the Board of Directors, thank you for contributing to the success of our Chapter and our profession.

Duane Dietz, Chapter President
OPPORTUNITIES FOR 2021

The mission of WASLA is to promote the development, education and awareness, and fellowship of the landscape architecture profession in Washington.

In 2018, the Board of Directors undertook an update to the Strategic Plan in order to align with efforts at the ASLA national level. This ensured that we continue to reflect the values of our members in this evolving profession.

The Board of Directors identified three areas of focus, which include, Advocacy Support, Student Support, and Supporting the Future of the Profession. The Board initiated implementation of programs that strengthen each of these areas of focus and began to re-balance revenue distributions.

With that, we are continuing to support opportunities for engagement in 2021. We look forward to continuing our partnership with all of you to strengthen our profession and lay a solid foundation for its future.

STRATEGIC AREAS

Advocacy
Given the on-going threats to licensure introduced into the Washington Legislature on an almost annual basis over the last several years, the Board of Directors, following ASLA National’s directive towards preserving licensure, is committed to defending our professional status.

Student Support
Student enrollment in landscape architecture programs at universities in our state is decreasing, a common trend seen at a national level. WASLA aims to bolster support of university student programs and of our student chapters.

Future of the Profession
To increase awareness of diversity in the profession, WASLA has begun to focus outreach efforts at career discovery fairs and K-12 schools, targeting areas of the state with disadvantaged populations and areas with high levels of ethnic and racial diversity.
YOUR CHAPTER BY THE NUMBERS

WASLA's incoming revenues traditionally come from membership dues, sponsorships, and program registration/ticket fees. Since there is a direct correlation between what the Chapter can offer and the revenue brought in on an annual basis, we continue to work toward an equitable distribution of funds to address the organization's strategic goals and programs. This would not be possible without the support our members, member firms and our generous sponsors.

(2) Due to COVID and rescheduling, Award sponsorships purchased in 2020 will be honored in 2021. The limited sponsorship tiers still have availability as noted.

(3) Special page on Website displays Conference Sponsors w/Company Name & Linked logo, 50-word description.

(4) WASLA Expenditure limited to $250.
WASLA’s mission is to promote Landscape Architecture. WASLA has identified three strategic areas of focus in which to implement ASLA initiatives, resulting in opportunities for engagement and support.

**Advocacy Package $500**

- **Federal Advocacy.** Helps support advocacy events and educational material for networking with State Senators and Representatives in Washington D.C.
- **Local Advocacy.** Supports scheduling and logistics for informational events with local legislators.
- **Architects & Engineers Legislative Council.** Helps support WASLA contribution to A&E legislative council that monitors the state legislature for landscape architecture licensure.
- **ASLA Advocacy Summit.** Supports sending a WASLA Advocacy rep to ASLA’s new annual Advocacy Summit.
- **State Legislator Events.** Meet + Greets and Site Tours.

**Student Support Package $500**

- **Student Academic Scholarships.** Helps support academic scholarships awarded each year to up to two landscape architecture student members.
- **Student National Conference Stipends.** Support a WASLA stipend that goes to Landscape Architecture student members to travel to and attend the National Conference and Expo.
- **Student Chapter’s Special Events.** Contributes to the Student Chapter’s special events for student WASLA members.
- **Student Mentorship.** Supports events for the student mentorship programs at WSU and UW.

**Future of the Profession Package $500**

- **Career Discovery through K-12 Outreach.** Helps support WASLA outreach efforts to engage local youth and attend K-12 career fairs to promote landscape architecture as a profession.
- **Washington School Counselor Association’s Annual Conference.** Provides an outreach booth at the WSCA conference; over 250 school district’s career counselors represented.
- **World Landscape Architecture Month Special Events.** In April, helps support special events held during WLAM to raise awareness of landscape architecture.
- **LARE Prep Seminar.** Helps keep costs reasonable for Landscape Architecture Registration Exam (LARE) Prep participants.

Strategic package supporters are recognized on a printed banner at the Awards Reception and with their name and log on the WASLA listing web page.
These individual options engage with our membership and support the Chapter.
